

G-VISIONS INC,

WINNERS

The Winners program is a new lunch time/after school program designed to encourage young people to examine their roles as aggressors, victims, and bystanders.

The aim of our program is to equip students with the necessary knowledge and skills that will enable them to successfully resolve their conflicts without resorting to violence.

SPECIFIC GOALS

- To alert students to the fact that their choices and actions can alleviate conflict.
- To provide students with the skills to challenge habits of thought that support violence.
 - To equip students with the skills to think first and resolve conflicts peacefully.
- To encourage students to see that, with additional information, they can avoid making snap judgments that lead to conflict.
 - To bring out the winner in each student.
